

West Kootenay Community Field School

The Invasive Investigation: Weeds at Fort Shepherd

Wednesday, July 14, 2010

6 - 7:30 p.m.

Fort Shepherd Conservancy Area
(meet at the pullout next to the orange
bridge in Trail)

The Land Conservancy of BC and the Central Kootenay Invasive Plant Committee present the first in a series of summer workshops on local flora and fauna. Jennifer Vogel will lead participants on a walking tour of the Fort Shepherd Conservancy Area. She will identify invasive weeds, discuss their impact on native plants, and suggest practical ways to limit the spread of exotic species.

Participation is FREE!
Snacks provided
Registration required by July 12
