

Peace River Branch  
Presents

## Peace River Soil Landscape Refresher Workshop Saturday, August 24, 2019

Refresh your experience with classification of soils found in the BC Peace River area. A better understanding of soil processes and how they are used in the Canadian Soil Classification System provide insight and application to a wide variety of land use activities. Field tests for soil health and soil quality are now commonly used by agronomists and land managers. We will demonstrate some of these on Peace River soil and discuss applicability and interpretations.

**Date:** Saturday, August 24, 2019 **Times:** 8:00 am – 5:00pm

**Meeting location:** Meet at the Mile 22 Community Park Baseball diamond at 8 am, then carpool and travel to the site.

**Cost:** \$50 for BCIA members, and \$100 for non-members

Equipment to bring: Shovel, field gear, field clothes, water bottle. Any soil references that they use in the field.
